TWILIGHT AT THE STABLES

A GALA AND CONCERT EVENT
TO BENEFIT

COMING TOGETHER FOR A CURE

WWW.CTFAC.ORG

EVENT OVERVIEW

Twilight at the Stables is the 14th annual fundraiser and signature gala of Coming Together For A Cure (CTFAC), a nonprofit dedicated to advancing access to stem cell therapy and improving outcomes for those affected by Duchenne Muscular Dystrophy and other rare diseases. Hosted at the distinguished **Murfin Stables**, a venue renowned for its philanthropic partnerships, this event brings together community leaders, donors, and advocates for an evening of purpose and impact.

What began as a grassroots concert, founded by the Benton family whose journey led to a breakthrough in stem cell treatment, has evolved into a powerful platform for hope and innovation. Today, CTFAC continues that legacy by investing in research, education, advocacy, and family support, creating real pathways to enhanced care and quality of life.

Guests will enjoy a curated dining experience by **First Mile Kitchen**, live music from nationally recognized band **The Last Revel**, and have the opportunity to bid on one-of-a-kind items during our silent auction.

This is more than an evening of celebration—it's a call to action. Sponsors play a vital role in sustaining and scaling the mission, gaining visibility among a high-impact audience while contributing to life-changing progress for families who need it most.

THANK YOU FOR CONSIDERING SPONSORSHIP

Your interest in supporting Twilight at the Stables means more than you may know. By considering sponsorship, you are standing with Coming Together For A Cure in the fight to expand education, advocacy, and access to stem cell therapies for individuals affected by rare diseases.

Your generosity helps create a future where families facing the unknown have more than hope. They can have access to resources, research, and a real path to healing.

Thank you for being a part of this mission. Together, we are lighting the way forward.
